

LUND
UNIVERSITY

Metalund research seminars, spring 2015

OCCUPATIONAL AND ENVIRONMENTAL MEDICINE | ERGONOMICS AND AEROSOL TECHNOLOGY

TIME: FRIDAYS, 11.00-12.00 (UNLESS OTHERWISE STATED) | ORGANIZER: METALUND, MEDICINE AND TECHNOLOGY FOR WORKING LIFE AND SOCIETY (www.metalund.lu.se)

| Date | Location/time | Lecturer/subject |
|----------|--|---|
| 16 Jan | Stora hörsalen, Pufendorf Institute, Biskopsgatan 3, Lund | Tord Kjellström, Environmental and Occupational Health consultant, Professor, Health and Environment International Trust, Mapua, New Zealand: <i>Climate change impacts on Working Life and Society – a real challenge for inter-disciplinary research in Medicine, Technology, Social sciences and Economics</i> |
| 23 Jan | F4, Main Central Building | Lars Harrie, Associate Professor, Department of Physical Geography and Ecosystem Science, Lund University: <i>Geografiska aspekter i historiskt demografiska studier</i> IN SWEDISH |
| 30 Jan | Stora hörsalen, IKDC Time: 10.15-13.00 | Erik Nordin, EAT: PhD dissertation: <i>Characteristics of fresh and aged carbonaceous aerosol from anthropogenic combustion sources</i> |
| 6 Feb | A:A, Architecture building, Sölvegatan 24, Lund | Gudbjörg Erlingsdottir, EAT: <i>Journaler via nätet och andra e-hälsotjänster</i> IN SWEDISH |
| 13 Feb | F4, Main Central Building | Gabriel Bekö, Associate Professor, Department of Civil Engineering, Technical University of Denmark: <i>Phtalate intake of Danish children: Exposure pathways and potential health effects</i> |
| 20 Feb | CANCELLED – WINTER HOLIDAY (SPORTLOV) | |
| 27 Feb | F4, Main Central Building | Patrik Nilsson, EAT: <i>Respirable or inhalable – What particle size fraction should be measured?</i> |
| 6 Mar | Stora hörsalen, Pufendorf Institute, Biskopsgatan 3, Lund Time: 10.30-12.00 | Amanda Ode, AMM: Final review seminar: <i>Intrauterine exposure to environmental pollutants and ADHD</i> |
| 13 Mar | F2, Main Central Building Time: 10.00-11.30 | Julia Broström, AMM: Half-time review seminar: <i>Exposure and biomarkers when working with isocyanates</i> |
| 20 Mar | F4, Main Central Building | Anna Oudin & Jens Richter, AMM: <i>Preliminary results from the Herrgården study with special focus on atopy</i> |
| 27 Mar | F4, Main Central Building | Ralf Rittner, AMM: <i>Subgroup Analyses in Epidemiology using Empirical Bayes</i> |
| 3 Apr | CANCELLED – EASTER FRIDAY (LÅNGFREDAG) | |
| 10 Apr | Lilla hörsalen, IKDC | Per Odenrick, EAT: <i>Collaboration between practitioners and researchers</i> |
| 17 Apr | F5, Main Central Building | Jenny Gremark-Simonsen, AMM: <i>Which individual and work related factors influence sonographers' musculoskeletal health?</i> |
| 24 April | F4, Main Central Building Time: 10.00-11.30 | Neserin Ali, AMM: Half-time review seminar: <i>Proteomic studies of nanoparticles</i> |
| 1 May | CANCELLED – FÖRSTA MAJ | |

AMM=Arbets- och miljömedicin (Occupational and Environmental Medicine)
EAT=Ergonomi och aerosolteknologi (Ergonomics and Aerosol Technology)

OCCUPATIONAL AND ENVIRONMENTAL MEDICINE | ERGONOMICS AND AEROSOL TECHNOLOGY

TIME: FRIDAYS, 11.00-12.00 (UNLESS OTHERWISE STATED) | ORGANIZER: METALUND, MEDICINE AND TECHNOLOGY FOR WORKING LIFE AND SOCIETY (www.metalund.lu.se)

| Date | Location/time | Lecturer/subject |
|--------|---|--|
| 8 May | Segefalkssalen, BMC, Lund Time: 09.00-12.00 | Amanda Ode, AMM: PhD dissertation: <i>Environmental Toxins and Essential Trace Elements at Delivery and ADHD</i> |
| 15 May | CANCELLED – DAY AFTER ASCENSION OF CHRIST (KLÄMDAG, DAGEN EFTER KRISTI HIMMELFÄRDS DAG) | |
| 22 May | Aulan, plan 3, Kvinnokliniken, Jan Waldenströms gata 47, Malmö Time: 13.00-17.00 | Jonatan Axelsson, AMM: PhD dissertation: <i>Prenatal and adult exposure to smoking and phthalates, and reproductive function in young Swedish men</i> |
| 26 May | Stora hörsalen, IKDC Time: 10.15-12.15 | Magnus Svartengren, Professor, Occupational Environmental Medicine, Dept. of Medical Sciences, Uppsala University: <i>Hypotheses on Cardiovascular Effects of Particles</i> |
| 26 May | Stora hörsalen, IKDC Time: 13.15-15.00 | Ulla Vogel, Professor, Danish Centre for Nanosafety, National Research Centre for the Working Environment (NRCWE), Copenhagen, Denmark: <i>Nanotoxicology and Nanosafety</i> |
| 27 May | Stora hörsalen, IKDC Time: 14.15-16.00 | Torben Sigsgaard, Professor, Department of Public Health, Aarhus University, Aarhus, Denmark: <i>Controlled Human Exposure to Bioaerosols</i> |
| 29 May | F1, Main Central Building | Kristina Jakobsson, AMM: <i>När det kommunala dricksvattnet inte har varit säkert - miljömedicinska erfarenheter från Ronneby IN SWEDISH</i> |
| 5 Jun | Lilla hörsalen, IKDC | Joakim Pagels, EAT: <i>What are these combustion particles and how do they affect our health?</i> |
| 11 Jun | Stora hörsalen, Pufendorf Institute, Biskopsgatan 3, Lund Time: 08.00-12.00 | Gabriella Åkerman, AMM: PhD dissertation: <i>Hairdressers' occupational exposure to carcinogenic aromatic amines, in particular ortho-toluidine</i> |
